

DIVISION OF BUSINESS  
**ACCOUNTING**  
 ASSOCIATE IN SCIENCE DEGREE

The Associate in Science Degree in Accounting program prepares students for employment and advancement opportunities in business and industry such as financial institutions, hospitals, manufacturing and construction companies, wholesale and retail companies, transportation, utilities, educational institutions, all levels of government and the military. Entry-level employment opportunities include positions in general bookkeeping, accounts receivable/payable, payroll, income tax preparation, cost accounting and auditing.

Accounting Majors intending to obtain a bachelor's degree in Accounting should refer to the Business Administration transfer curriculum. To acquire the **Associate in Science Degree in Accounting**, students must complete the graduation requirements of the College along with the following courses with a grade of "C" or better:

NOTE: Students interested in transferring as accounting majors should consult with a counselor for appropriate general education & major preparation counseling.
