AREA 6: LANGUAGE OTHER THAN ENGLISH (UC Requirement Only)			COMPLETED
Proficiency equivalent to two years of high school study in the same language OR one course from the following.			
Note: Courses in this area that appear in Area 3 Humanities may be counted for both areas ASL 149; CHIN 101, 102; FR 101, 102, 201, 202; JAPN 101, 102; LATN 101, 102; SPAN 101, 102, 130, 131, 201, 201H, 202	UC		
There are additional ways to satisfy the Language Other than English Requirement. Please see a counselor for advisement.			

CSU GRADUATION REQUIREMENT IN U.S. HISTORY, CONSTITUTION, AND AMERICAN IDEALS Choose one course from Group 1 and one course from Group 2. (May be double counted with areas 3 and 4)		
GROUP 1: POLS 110, 110H	CSU	
GROUP 2: HIST 143, 143H, 144, 144H, 158, 159, 159H, 170	CSU	

IMPORTANT INFORMATION

- All coursework used for IGETC must be completed with a "C" or better, and have a minimum value of 3 semester/4 quarter units.
- IGETC may not be appropriate for all majors. It is <u>highly recommended</u> that students meet with a counselor and/or consult with individual campuses prior to selecting courses.
- Courses may be counted for one GE area only, with the exception of Area 6: Language other than English requirement.
- Courses on this list are approved for the academic year 2016-2017 which is valid beginning Fall 2016 through Summer 2017. For a complete listing of courses
 and their approval dates, log on to www.assist.org.

IGETC Considerations

Students with substantial coursework from institutions outside the United States should consult a counselor to determine whether they should complete IGETC or the lower-division breadth/general education requirements at the campus they plan to attend.

Berkeley | The Colleges of Engineering and Chemistry, and the Haas School of Business have extensive, prescribed major prerequisites. IGETC is not appropriate preparation for majors in these colleges.

Davis | Bachelor of Science degrees and high-unit majors often have many courses of lower-division preparation. In these cases, the UC Davis GE pattern is the best choice.

Irvine | All schools accept IGETC. However, selection by the campus is based on demonstrated academic achievement and preparation for the intended major.

Los Angeles | The Henry Samueli School of Engineering and Applied Science does not accept IGETC.

Merced | The Schools of Engineering and Natural Sciences do not recommend IGETC, but accept it.

Riverside | The College of Humanities, Arts, and Social Sciences and the School of Business Administration accepts IGETC. The College of Natural and Agricultural Sciences does not accept IGETC. The Marlan and Rosemary Bourns College of Engineering accepts completion of IGETC to satisfy the majority of the college's breadth requirements for transfer students. Some additional breadth coursework may be required after enrollment at Bourns. School of Business Administration requires IGETC.

San Diego | IGETC is accepted at John Muir, Earl Warren, Thurgood Marshall, and Sixth Colleges only. Students completing IGETC are welcomed at Eleanor Roosevelt and Revelle Colleges; however, they must also fulfill the specific general education requirements of those colleges. At UCSD, all majors are available to students in each college, so students who choose IGETC will not be restricted in their choice of major.

Santa Barbara | College of Letters and Science and College of Creative Studies: IGETC is acceptable. College of Engineering: Students are encouraged to focus on major preparation rather than general education, but may use IGETC to substitute for most general education requirements. However, some additional coursework may be required after enrollment to complete the depth requirement if not satisfied during IGETC certification.

Santa Cruz | Transfer students intending to pursue any major in the physical and biological sciences or the Jack Baskin School of Engineering should not follow IGETC because it will not provide them with enough lower division preparation for their majors.
